KNIGHTS IN REGALIA

A word from our fellow Knight!

Brother Knights and in Christ,

As the sun rises and the moon sets, we continue to reap God's love, compassion and forgiveness. How truly blessed we are. Many continue their life without seeing the wonders of God's creation given to us by His Fatherly love. I left you with keep prayer on your lips, give praise to God for His gift of life. Now I ask that we listen with our hearts as God continues to speak to us. He calls us by name. Do we hear Him? He asks us to pick up our cross and follow Him. Have we used it wisely; have we prayed to Him to give us that what we need; our daily bread, the forgiveness of our faults, our thanks for His many blessings. We are all imperfect in many ways, through our faults. We must reach out to Him who loves us. Through our prayers we ask Him to give us strength in our battles over evil. Yes! Satan is REAL he is here to give us false hope, bring despair

to us and our family's. Yes! we can beat Satan, one weapon is the rosary. Our Blessed Mother will crush Satan's head with her feet, but we must pray. May This month of love, bring us closer to Christ Jesus. We are given ashes to remind us of what we are, DUST. We begin our journey by our own sacrifices of giving something up we enjoy. We pray and sacrifice, we ask our Lord, to forgive us for placing Him on the cross. Than with atonement of our sins we pick up our own cross and gladly offer our pains to Him, who bore great suffering and death for us. May this lent Season bring you joy of giving our Lord all your sufferings, your penance, your sacrifices to reach the heart of God. We as a group of Catholic men the Knights of Columbus must be leaders up front in battling Satan. We must encourage our families, friends and church community to pray the rosary to keep us from evil. Christ asked us to enter into his being. Oh! Holy Spirit make me a servant of your love. May my prayers be the spark that lights up the flames within us that touches our God. Pray for me as I pray for you.

A Word From the Heart

I have been asked to speak on losing a loved one. Anne Garcia-Moore the love of my life. The loss of a loved one brings grief. Grief is not just a word it is also pain. I am told grief is normal but it comes in degrees and lengths of time. If you haven't been through it you are blessed. The degrees of pain are actuality degrees of love. Grief is unpredictable since it comes and goes as it wishes. I think it will never stop just as our love for that person will never stop. Grief tends to make the strong weak and the weak strong. Keeping your faith is the strongest weapon we can have. Knowing that someone you loved is in a better place helps you to heal. You have to remember that, to help you get through it. May these few words prepare you that that time. It is not our will but God's will. Anne you will always be the love of my life.

A Letter From
Your Worthy Grand Knight

Dear Knights,

We have overcome. In all the comings and goings of this year. The Knights have done well and given back to their Community. Lake Havasu is a better place because of your efforts. We are having occasions were Knights have signed up to chair (a charity event) only to QUIT weeks before the event having done nothing. Please, remember that this action is a serious burden to your fellow brother Knights. Yes, It is your ACTIONS that speak louder than your words. May you see Christ in the charity that we do.

Thank You.

Worthy Grand Knight

William

Please pray for these deceased Knights
And their families.
